### The Original Wine Legend

**Royal Tokaji** was inspired and founded by Hugh Johnson, the noted author and wine historian, whose goal was to revive and bring back to international acclaim the wines of one of history's most renowned wine regions.

Royal Tokaji remains in private ownership and today our wines are exported to more than 30 countries. The wines of Royal Tokaji have won over 100 international awards and continue to seduce wine lovers throughout the world. [www.royal-tokaji.com](http://www.royal-tokaji.com)
